

# I'm coming to stay at Clearways

## Tell me what I need to know!

We are not a mainstream motel/hotel with all the bells and whistles, so helpful information for you to read up on, is right here.

**Your room** You have been booked either a studio room or 2-bedroom shared unit. You, or the person who booked the accommodation can advise on that.

Each studio or bedroom also has a ranch slider to outside. Your individual room has air con, hangars, all bedding and towels, tea towel

Kitchenette has sink, bench, frig, toaster, kettle, microwave

On our [website](#) you can view the rooms for photos and a list of what is provided

**The site** Your building has a large lounge, kitchen, laundry, and outdoor BBQ area

You **need** to read up on the arrival info, so you know how everything operates Click [here](#) (code to enter this is 2006)

### Where is Clearways

Clearways Accommodation & Training Centre, 54 Clearway Rise, Tamahere

### Entering Clearways

When you turn into Clearway Rise, head to the long white barrier arm. It has a red sign on its axis "Clearways Barrier Arm". 2 ways to open the barrier.....

1. You can download a free secure App called PALGATE. Once downloaded (easy and it takes 2 minutes) you will see Clearways Gate and a gate icon. Simply press the icon and the gate will open. You can voice activate your phone as well – just say "Clearways Gate" and it will open.

2. If your phone can not download the PALGATE app, then please call 021 241 7838 on arrival to the barrier arm – on calling that number it will ring once, go to voicemail and open at the same time.

Your cell phone needs to be in our system for either way of entry, so if Clearways Gate does not appear on the app, or phoning the number above does not work, it means we have not been given your cell phone number. Gate opens automatically on exit.

### What do I need to bring

Drink bottle for water – site water is all good for drinking

Washing powder for your own washing

All toiletries including soap/body wash, shampoo and hair dryer

Coffee/Tea/Milk for your room
